Hello Everyone, It's that time of year again! With the annual fall meeting scheduled for next week and the surfaces of the sheets are being prepped for ice will soon be underway. Curling is going to begin on time this year weather permitting. They are making new changes to the design changes to the ice. The membership fees for the Youth Programme cost is the same from last Little Rocks (Ages 6-12) is \$ 60 and Bantams is \$75 (Ages 13-16) As in the past (HST included) and we will be providing tax receipts once registration has closed. At this time the Bantams curling will start at 10:00am {please arrive 15 minutes before hand to warm up} and the Little Rocks curl will stay the same at 12:30pm (once again arriving 15 minutes to get ready and warm up}. As I said the season starts Sunday, October 29, 2017 and runs to Sunday March 30, 2018. Here's to another fun-filled season of curling?!

We are also looking for more kids to come curl with us, so if you have any friends, brothers or sisters over 6 but under 16 years old that like to try new things, bring them out to our we want Little Rock and Bantam age curlers coming out for the FUN DAY on OCTOBER 22nd at 1:00 pm. We will show them how much fun curling is and hopefully they will want to join as well! We need to make sure the shoes that are used on the ice are either brand new indoor shoes or curling shoes.

We are happy to say that Tim Hortons is once again partnering with us this season. The Tim Hortons Little Rocks Program provides an opportunity for kids like you to get a positive start in curling with the focus on fun! I would like to say a big **Thank You** to Ruth, Steve and Shawn Lockett, the owners of the local Tim Hortons for thinking of our Little Rockers. I know how much you look forward to the yummy Timbits, hot chocolate and other treats after the game. They have been very generous with our program over the years and we are looking forward to it again this season.

## **THIS NEXT PART IS FOR YOUR PARENTS:**

The Youth Programme for Little Rock and Bantams is a volunteer program that requires support from parents. I will not be on the ice this year, Lindsay MacPerherson will be coaching both the Bantams and Little Rocks. Mark Lewis will be working on Bonspiels for Little Rocks. I am looking for persons to coordinate with bonspiels for the Bantams this year. In the coming months, we will be hosting both bonspiels on the weekend of February date to be determined for Bantams on Saturday and Little Rocks on Sunday March 4<sup>th</sup>, 2018). We can attend bonspiels at other clubs that will require extra money and some help. Please donate your time and make this program grow for our kids. I can be reached on my cell (613) 213-5309 to discuss any concerns you may have.

I will have registration forms at the fun day and on the first day of curling please bring curlers **OHIP card**, I do not keep forms from past years don't forget to dress warm and bring a helmet for new curlers.
