Hello Fellow curlers!

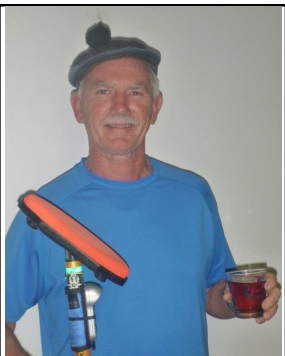

Over the summer your board has been working diligently to continue with club improvements and you will see the increased brightness in our rink due to painting our columns and the replacement of our old fluorescents with LED tubes which give off more light, less heat and use 40% less energy. In addition, we have new Mylar houses which will save us money in painting and sand removal/replacement plus improve the signage inside our club- something which many people have pointed out in the past.

In cooperation with the town of Prescott, our entranceway was repaved and now allows easier access for those with impaired mobility as well as contributing to the cleanliness of our carpets and ice. Changes in our compressor room will enable the brine pump to turn on and off with demand instead of running 24/7. This should save us money in operating costs and also means the ice may not be suitable for use after normal hours.

Our Legacy Board is available for donations and we still have room for sponsorships and advertising signage in our rink so if you know anyone who would like to take advantage of those opportunities please direct them to board members. Our website and Facebook page are very popular and a good way to keep in touch with current events, potential curlers and other club members.

We will again be advertising to increase our membership as well as joining forces with a new Ontario group called 'Curl On' which focuses on Social media but the best advertising remains 'word of mouth' so if you enjoy curling - Tell a friend!

The AGM is on October the 4th- needless to say your signed packages and fees are due by then and the conveners need them to set up leagues. Our annual Bern Kirkby Memorial Swing & Sweep kicks off the season on Saturday October the 14th (a full week ahead of last year), *Free first time curling* session on the 15th with the regular season and all leagues starting on Monday October the 16th.

Ron Whitehorne
President

Yours in curling, *Ron*

Do you have a friend that should try curling? Here are some ideas to get them started:

- Tell them about our **Curling School**, join them for a session & sign them up for our **Try Curling Event** (*see attached posters*).
- ♦ Tell them about our **money back guarantee** for new members.
- ♦ Ask them to try the **Swing & Sweep**.
- ♦ Start playing **Wednesday or Friday night** and help them learn.
- ♦ Encourage them & show them it's **fun!**

2017/2018 Registration Form

Please select the leagues in which you would like to participate.
Include this form with payment before October 4, 2017 to:
Prescott Curling Club, P.O. Box 1482 Prescott, ON K0E 1T0
